

RotaBOB's CLOSET SOLUTIONS

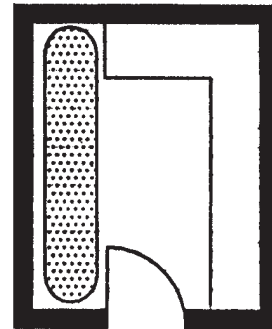

RotaBOB can access your entire closet from one side in our sliding door solution

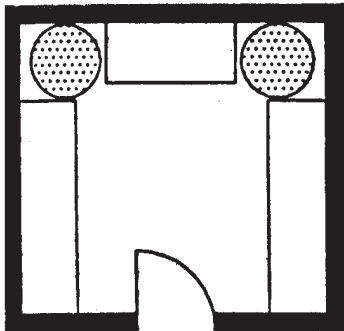

RotaBOB makes all reach-in closets accessible to full capacity

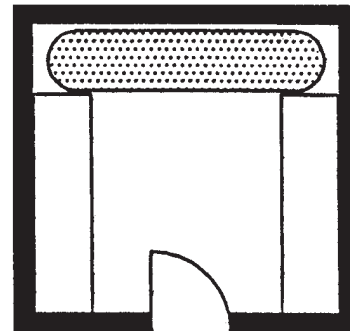

RotaBOB solution for a small walk-in where larger hanging capacity is needed

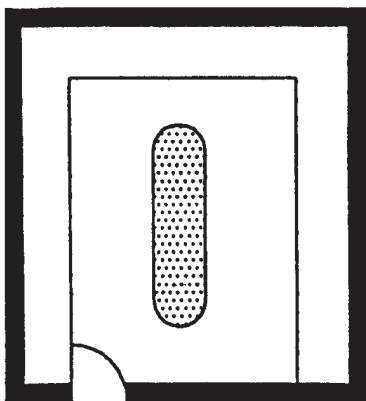

With RotaBOB, you do not have to close door to access hidden clothes

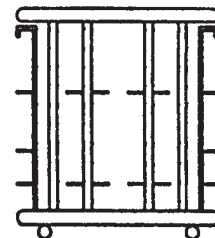

RotaBOB's corner shoe rack for up to 95 pairs of shoes, accessories, or additional clothes maximizes dead corner area

RotaBOB enables clothes to come to you, nothing is hidden, every area is accessible

In a large walk-in closet, RotaBOB can be used for up to 300 plus more garments or our new Rotary Shoe Rack can hold up to 225 pairs of shoes

Portable RotaBOB that can move everywhere - great for lofts and small spaces

ALL RotaBOB UNITS WILL FIT INTO YOUR EXISTING CLOSET SYSTEM AS ILLUSTRATED ON OUR WEBSITE
